

AXIS T7321

APPLICATION

For Universal drilling applications

ADVANTAGES

Excellent hole quality
Better dimensional control

CAUTION

Ensure uniform feed
Ensure effective clamping

Drill diameter available in steps of 0.05mm

ON REQUEST :

Standard non Stock / Inch Sizes /
Special sizes / Left hand drills

PACKING :

Up to Dia 2.00mm : 10 tools / pack
Dia > 2.00mm : Single tool / pack

All Dimensions in mm otherwise specified
